AUDIT COMMITTEE

TERMS OF REFERENCE

A. Purpose

The Audit Committee is established as a committee of the Board. The primary objective of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities with respect to (a) the accounting and financial reporting processes of the Company, including the integrity of the financial statements and other financial information provided by the Company to its shareholders, and others, (b) the Company's compliance with legal and regulatory requirements, (c) the independent auditors' qualifications and independence, (d) the audit of the Company's financial statements, and (e) the performance of the Company's internal audit function and independent auditors.

The Audit Committee shall have no powers other than those set out in this terms of reference below. The role of the Audit Committee is oversight. The members of the Audit Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Audit Committee to conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the independent auditors.

B. Membership

The Audit Committee shall consist of three or more directors, each of whom shall satisfy financial literacy and experience requirements as determined by the Board and relevant regulatory authority. At least one member of the Audit Committee shall have accounting or related financial management expertise, as the Board determines in its business judgment. The quorum for the committee shall be two members.

The members of the Audit Committee shall be appointed by the Board on the recommendation of the Nomination Committee. Members of the Audit Committee may be removed at any time by action of the Board. The Audit Committee's chairman shall be designated by the Board or, if it does not do so, the members of the Audit Committee shall elect a chairman by a vote of the majority of the full Audit Committee.

Members shall be appointed for an initial three year term of office after which they shall continue for another term, if not revoked.

C. Meetings

The Audit Committee shall meet at least two times per year on a semi-annual basis, or more frequently as circumstances require. Generally the meetings shall be held prior to the meetings of the Board. As part of its responsibility to foster open communication, the Audit Committee shall meet at least semi-annually with management, including the principal financial officer and the independent auditors in separate executive sessions to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately.

The materials shall be circulated at least seven days before each meeting to the committee members. The minutes of the meetings of the committee shall be circulated to the Board.

D. Authority and Responsibilities

In recognition of the fact that the independent auditors are ultimately accountable to the Audit Committee, the Audit Committee shall (a) have the sole authority and responsibility to select, evaluate and, where appropriate, replace the independent auditors (or to nominate the independent auditors for shareholder approval), (b) approve all audit engagement fees and terms and all non-audit engagements with the independent auditors, and (c) perform such other duties and responsibilities stipulated under any other applicable independence and regulatory requirements. The Audit Committee may consult with management, including the principal financial officer and the personnel responsible for the internal audit function, but shall not delegate these responsibilities.

To fulfill its responsibilities, the Audit Committee shall:
