

**UNIFIED CARRIER LICENCE
TELECOMMUNICATIONS ORDINANCE (Chapter 106)**

In accordance with Special Condition 7 of the Unified Carrier Licence (the 'Licence'), Asia Satellite Telecommunications Company Limited ('AsiaSat') hereby publishes the tariffs and general terms and conditions on which it will provide its service under the Licence (the 'Service') with immediate effect.

1. Service

The Service to be provided by AsiaSat shall consist of the transmission or broadcasting of the Customer's signal (including any video, audio, voice or data signals) via satellite and may include the provision of contribution feeds, satellite or ground connections, and satellite uplink and/or downlink facilities, as determined by AsiaSat.

2. Charges

In consideration for the provision of the Service, the Customer shall pay AsiaSat the following Charges:

Television Uplink Service:

RF (Radio Frequency) uplinking service charge (without any processing and excluding satellite capacity) for a digital TV channel will be US\$15,000 per month per channel.

VSAT (Very Small Aperture Terminal) Service:

The charge for uplinking up to a 1Mbps (excluding satellite capacity) will be US\$5,000 per month.

Discounts may be offered for each additional circuit.

Exclusion of satellite capacity, other processing or modems (i.e. for Data) as per previous assumptions.

1 July 2019
